This poultry processing stand is designed for routine use in processing and slaughter areas. It uses galvanized steel construction or components suited to routine farm use.

الخصائص

- Material: galvanized.
- Dimensions: 40cm, 30cm, 10cm.
- Material: galvanized steel.

المزايا

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Easy cleaning supports better hygiene management.
- Simple maintenance helps lower routine service requirements.

الوصف

Suitable for routine use in processing and slaughter areas. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
