This poultry cage installation pliers is designed for routine handling of chickens.

### Merkmale

- Length: 13cm, 18cm.
- Automatic operation helps reduce repetitive manual work.
- Reinforced construction improves durability for routine farm use.
- Corrosion-resistant construction is suited to humid livestock environments.

### Vorteile

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

### Beschreibung

Suitable for routine handling of chickens. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use.
