This poultry cage installation pliers is designed for routine use in livestock farms. Its practical structure is intended for reliable day-to-day operation.

## Features

- Product type: poultry cage installation pliers.
- Specification: M.
- Corrosion-resistant construction is suited to humid livestock environments.

## Advantages

- Improves day-to-day operating efficiency.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.
- Suitable for regular use in commercial farm environments.

## Description

Suitable for routine livestock-farm operations. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
