

Poultry Cage Installation Pliers

Black cages.

Product code	124
Specification code	12418
Primary category	Poultry Farming Equipment
Secondary category	Poultry Cage Systems

This poultry cage installation pliers is designed for routine handling of chickens. Its practical structure is intended for reliable day-to-day operation.

Features

- Product type: poultry cage installation pliers.
- Automatic operation helps reduce repetitive manual work.
- Reinforced construction improves durability for routine farm use.

Advantages

- Improves day-to-day operating efficiency.
- Simple maintenance helps lower routine service requirements.
- Stable construction supports reliable routine operation.

Description

Suitable for routine livestock-farm operations. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
