

Poultry Cage Installation Pliers

Red cage clamp.

Product code	124
Specification code	12419
Primary category	Poultry Farming Equipment
Secondary category	Poultry Cage Systems

This poultry cage installation pliers is designed for routine handling of chickens. Its practical structure is intended for reliable day-to-day operation.

Features

- Product type: poultry cage installation pliers.
- Spring-return construction supports convenient repeated operation.
- Purpose-built structure for routine use as a poultry cage installation pliers.
- Simple construction supports convenient installation, operation and maintenance.

Advantages

- Improves day-to-day operating efficiency.
- Simple maintenance helps lower routine service requirements.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for routine livestock-farm operations. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
