

Poultry Cage Installation Pliers

Red cage clamp plus 1 box of rustproof nails

Product code	124
Specification code	12430
Primary category	Poultry Farming Equipment
Secondary category	Poultry Cage Systems

This poultry cage installation pliers is designed for routine handling of chickens. Its practical structure is intended for reliable day-to-day operation.

Features

- Configuration: red +1 box.
- Corrosion-resistant construction is suited to humid livestock environments.
- Spring-return construction supports convenient repeated operation.

Advantages

- Corrosion resistance supports long service in humid farm environments.
- Simple maintenance helps lower routine service requirements.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for routine use in livestock farms. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use.
