

Prevention and Control Device

The Tampton Control System - The Great Hye Wolf HL2

Product code	160
Specification code	1604
Primary category	Livestock and Poultry Weighing Equipment
Secondary category	Weighing Indicators and Accessories

This livestock pest-control device is designed for livestock weighing and weight recording, farm transport and handling in livestock farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Automatic operation helps reduce repetitive manual work.
- Portable construction makes transport and field use easier.
- Purpose-built structure for routine use as a livestock pest-control device.
- Simple construction supports convenient installation, operation and maintenance.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for livestock weighing and weight recording in livestock farms. Place the scale on a level, firm surface, verify zero and stable instrument readings before weighing, and keep the platform clean. Do not exceed the rated capacity of the selected model.
