

Prevention and Control Device

The Grail Control 6S All-power.

Product code	160
Specification code	1608
Primary category	Livestock and Poultry Weighing Equipment
Secondary category	Weighing Indicators and Accessories

This livestock pest-control device is designed for livestock weighing and weight recording, farm transport and handling in livestock farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Purpose-built structure for routine use as a livestock pest-control device.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Flexible operation makes the product easier to use in different farm areas.
- Compact portability makes transport and storage easier.

Description

Suitable for livestock weighing and weight recording in livestock farms. Place the scale on a level, firm surface, verify zero and stable instrument readings before weighing, and keep the platform clean. Do not exceed the rated capacity of the selected model. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
