

Chicken Slaughter Stand

Chicken-cooked.

Product code	201
Specification code	2011
Primary category	Poultry Farming Equipment
Secondary category	Poultry House Equipment

This poultry processing stand is designed for routine use in processing and slaughter areas. It uses galvanized steel construction or components suited to routine farm use.

Features

- Specification: large.
- Material: reinforcedgalvanized.
- Dimensions: 50cm, 33cm, 10cm.
- Material: galvanized steel.
- Reinforced construction improves durability for routine farm use.

Advantages

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Stable construction supports reliable routine operation.

Description

Suitable for routine use in processing and slaughter areas. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
