

Poultry Feed Bucket

6-kilogram + 5-kilogram drums.

Product code	208
Specification code	4971
Primary category	Poultry Farming Equipment
Secondary category	Poultry Feeding and Drinking Equipment

6-kilogram + 5-kilogram drums. is designed for reliable, efficient use in livestock farms and agricultural projects.

Features

- Watering + feeding combination: one set meets basic feeding needs.
- Extra-thick plastic material: sturdy construction with good durability.
- Large-capacity design: reduces frequent water and feed refilling.
- Circular trough design: allows multiple poultry to feed at the same time.
- Handle design: convenient for moving, refilling and routine cleaning.

Advantages

- Combined watering and feeding is more convenient.
- Thickened construction is suitable for long-term farm use.
- Moderate capacity reduces the frequency of manual refilling.
- Easy to clean for routine poultry-house hygiene management.

Description

Suitable for livestock farms and agricultural projects. Before use, confirm the selected model, installation conditions and operating requirements. Inspect and clean the product regularly and follow the supplied specifications for model-specific parameters.
