

Poultry Feed Bucket

4-pound kettle plus 2-pound drum

Product code	208
Specification code	6621
Primary category	Poultry Farming Equipment
Secondary category	Poultry Feeding and Drinking Equipment

4-pound kettle plus 2-pound drum is designed for reliable, efficient use in livestock farms and agricultural projects.

Features

- Water-and-feed combination: the drinker and feeder are designed to be used together.
- Lightweight plastic material: durable, easy to clean and convenient for daily use.
- Circular trough design: allows multiple poultry to feed at the same time.
- Handle design: convenient for moving, adding water and refilling feed.

Advantages

- One set covers both poultry watering and feeding needs.
- Moderate capacity is suitable for chicks and small flocks.
- Simple structure makes adding water and feed convenient.
- Easy to clean for routine poultry-house hygiene management.

Description

Suitable for livestock farms and agricultural projects. Before use, confirm the selected model, installation conditions and operating requirements. Inspect and clean the product regularly and follow the supplied specifications for model-specific parameters.
