Contenu en anglais

Code produit	124
Code spécification	12417
Catégorie principale	Matériel d'aviculture
Sous-catégorie	Systèmes d'élevage en cages pour volailles

This poultry cage installation pliers is designed for routine handling of chickens.

Caractéristiques

- Length: 13cm, 18cm.
- Automatic operation helps reduce repetitive manual work.
- Reinforced construction improves durability for routine farm use.
- Corrosion-resistant construction is suited to humid livestock environments.

Avantages

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for routine handling of chickens. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use.
