Contenu en anglais

Code produit	124
Code spécification	12429
Catégorie principale	Matériel d'aviculture
Sous-catégorie	Systèmes d'élevage en cages pour volailles

This poultry cage installation pliers is designed for routine handling of chickens. Its practical structure is intended for reliable day-to-day operation.

Caractéristiques

- Configuration: red +10 box M.
- Corrosion-resistant construction is suited to humid livestock environments.
- Spring-return construction supports convenient repeated operation.

Avantages

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Simple maintenance helps lower routine service requirements.

Description

Suitable for routine use in livestock farms. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use.
