The T-pound Control System - The Great Fai Wolf D6

Содержание на английском

Код товара	160
Код спецификации	1602
Основная категория	Оборудование для взвешивания скота и птицы
Подкатегория	Весовые приборы и принадлежности

This livestock pest-control device is designed for livestock weighing and weight recording, farm transport and handling in livestock farms. Its practical structure is intended for reliable day-to-day operation.

Характеристики

- Purpose-built structure for routine use as a livestock pest-control device.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Преимущества

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Описание

Suitable for livestock weighing and weight recording in livestock farms. Place the scale on a level, firm surface, verify zero and stable instrument readings before weighing, and keep the platform clean. Do not exceed the rated capacity of the selected model. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
